

# BLACK SWAMP HOSTA AND DAYLILY SOCIETY

The society meets throughout the year principally at the Toledo Botanical Garden, 5403 Elmer Drive, Toledo, OH. Membership is \$10 per garden per calendar year. Programs vary from well-known speakers, members of our society, bus tours, gardening topics to sales of rare and valuable specimens. We have tours of members' gardens, potlucks, and a winter luncheon at a local restaurant. During the summer, we hold either a hosta show (odd years) or a daylily expo (even years) to share our love for these cultivars with the public. The BSHDS maintains national display gardens that we helped develop at Toledo Botanical Garden, at 577 Foundation in Perrysburg, OH and the Hosta Glen at Simpson Garden Park in Bowling Green, OH. Our library project continues to provide newly released books on hostas and daylilies to 16 area libraries. We are affiliated with the daylily and hosta national societies and urge our 100+ members to join both national societies.

## 2019 SCHEDULE

Note: All Meetings held at Toledo Botanical Garden  
5403 Elmer Drive, Toledo, OH  
(UNLESS NOTED OTHERWISE)

**JANUARY 19 - 11:30 AM LUNCHEON MEETING AT HEATHER DOWNS COUNTRY CLUB  
MANDY McMAHON, Silver Creek Daylilies Hamilton, MI**

### **PROGRAM: "HYBRIDIZING AWARD WINNING DAYLILIES"**

Mandy has been hybridizing daylilies for 18 years and loves every part of it! Each January she starts about 2,000-3,000 seeds with the hopes of finding just the perfect seedling with that special "something" to introduce! She concentrates on bagel form daylilies with lots of ruffles and "extra" stuff. She just can't get enough of watermarks - they are her favorite! The last couple of years have been exciting since in 2016 Mandy's seedling won the Englerth Award for Region 2, and in 2017 West Michigan hosted the AHS Region 2 Summer meeting and their garden was on tour for that. Lots to look forward to!!

**FEBRUARY 9 - 1 PM Toledo Botanical Garden Conference Center**

**DR. LAURA DEETER aka "THE GARDEN HOE" Ph.D. Professor and Coordinator, Landscape Horticulture and Horticultural Science, Ohio State University Agricultural Technical Institute, Wooster, OH**

### **PROGRAM: "LANDSCAPE DESIGN IDEAS FOR HOSTAS AND DAYLILIES"**

A popular educator experienced in many subjects. Laura is a very dynamic speaker and presenter who has visited us several times in the past.

**MARCH 9 - 1 PM Toledo Botanical Garden Conference Center  
CLARENCE (C.H.) FALSTAD-WALTERS GARDEN, ZEELAND, MI**

**PROGRAM: "HOSTA FLOWERS-THE CROWNING GLORY OF HOSTAS"**

C.H. graduated with a Bachelor's of Science in Ornamental Horticulture from the University of Illinois. For almost 30 years he has worked as Laboratory Director at the Walters Gardens tissue culture lab operations with other periods of hybridizing work along with intellectual property activities - patents, trademarks and licensing of plants developed at Walters Gardens. He enjoys hybridizing hostas and numerous other plants, constantly seeking improvement. He served as President and Vice President of both the AHS and the Michigan Hosta Society, American Hosta Society Scientific Chair and is a frequent author for the Hosta Journal.

**APRIL 27 - 1 PM Toledo Botanical Garden Conference Center and Hosta AM Workday**

**PROGRAM: Hosta Workday, 9 AM – 12 Noon** in the Shade Garden. **Meeting** begins at **1 PM** to discuss Perennial Plant Sale, Tissue Culture Program, and our 14<sup>th</sup> AHS Accredited Hosta Show. This is the meeting for members who need tags for our May perennial plant sale or have questions about the sale to get information from Betty Moore and Charlene Patz, Plant Sale Committee Co-chairs. Phil Parson, Chairman, will be discussing our tissue culture program and distribute this year's tissue culture plant to eligible members.
