

The Dr. Bob Olson Service Pin

“The society is a group of people that came together for the common interest in hosta. It is the people that serve it in so many ways that keep the society going. This service is considered very important and of value to the society thus the desire to recognize that service is clearly understood and supported.”

To qualify for a Service Pin a volunteer should serve the Society for two full terms or four years.

American Hosta Society Service Pin Recipients 2023 winners in bold

*Held an Executive Board Officer Position
